ORDER

ARUN SUBRAMANIAN, United States District Judge:

On October 24, 2023, the parties submitted a joint letter addressed to Judge Woods and proposed a case-management plan based on his model order. This case was reassigned to me nearly two months ago. The parties should review this Court's Individual Practices and file a proposed case-management plan on the docket using this Court's model order. This Court's practices and model orders are available here: <https://www.nysd.uscourts.gov/hon-arun-subramanian>.

SO ORDERED.
